Letter No 8/28-29 dated 6-7-29, from the President, Town Municipal Council, Chickballapur, to the Deputy Commissioner, Kolar District

With reference to your Memo No A6-2245/28-29 dated 17-4-1929 forwarding the petition presented to the Dewan Saheb by the - Adikarnatakas of Chickballapur Town praying that their dwelling houses should not be shifted to a separate place etc , I have the honour to state that there is a proposal to remove about 50 houses of Adikarnatakas which are now located in a low level to an elevated locality

The Executive Engineer Sanitary and Town Planning Division and the Government Architect have approved of the site proposed for the opening of the Adikarnataka Colony, and the work will be taken up soon after the receipt of the grant for the Town improvements to be executed during the next 5 years

The Petition received with the above is enclosed for reference The allegation that their houses will be shifted far away from the Lordon Mission School is not true It is in their interest that the proposed Colony in the vicinity of the Mission School will be opened Under these circumstances the petition may be ordered to be filed,

Subject -- Burial grounds of Mohamadans in Thondebhavi Goribidnur Taluk

---

Adverting to serial No 4 of the list appended to official Memorandum No L 6350/Ml 234-28-13 dated 27th March 1929 from the General Secretary to Government forwarding the above petition of Sheik Ahmed Sab of Thondebhavi village Goribidanur Taluk praying that certain lands belonging to the burial ground of Mohamadans which are in the enjoyment of one Musamia Sab without any right may be taken by Government etc I have the honor to forward herewith the entire correspondence ending with Memo No D T Petn 63/28-29 dated 29th July 1929 and to state that the main complaint of the petitioner is reported to be that one Musamia Sab of the village is in possession of Tamarind and other trees standing on the burial grounds of Mohammedans and is enjoying the usufruct without maintaining in good condition the Darga and other buildings attached to the said burial ground

The Sub Division Officer reports that Musamia Sab has agreed before the Amildar in his statement dated 28th June 1929 'that he will construct a compound wall and keep the surroundings clean and also a light and recommends that as Musamia is in possession and enjoyment of the Khabarstan and the usufruct of the trees thereon for the last 20 years he may be allowed to look after the Khabarstan on condition that he keeps up to his undertaking made by him

I have therefore approved the recommendation of the Sub Division Officer and issued orders accordingly
